

GST 抗原(重组蛋白)

中文名称: GST 抗原(重组蛋白)

英文名称: GST Antigen (Recombinant Protein)

相关类别: 抗原

储 存: 超低温(-80℃)

概述

Full length protein of GST

技术规格

Full name:	Glutathione S-Transferase
Purity:	>85%, as determined by Coomassie blue stained SDS-PAGE
Expression system:	Escherichia coli
Background:	GST (Glutathione S-Transferase) is a 26kDa protein which was widely used in the pGEX family of GST plasmid expression vectors as a fusion protein with foreign proteins.GST isoenzymes appear to play a central role in the parasite detoxification system. Other functions are also suspected including a role in increasing the solubility of haematin in the parasite gut.
